### Milwaukee 6ft / 2m Keychain Tape Measure

★★★★★ (0) Write a review

The Milwaukee 6' / 2m Keychain Tape Measure (48-22-5506) combines on-the-go convenience with maximum durability and functionality needed by professionals in all trades. Delivering up to 10X longer life than the competition, the new tape measure features Nylon Blade Protection for resistance to jobsite contamination and a 5-point reinforced frame for protection against damage from dropping. For added functionality, a secure, heavy duty keychain clip gives it the versatility to clip on almost anything – from belts to keychains. It is dual printed in imperial and metric. Backed by a limited lifetime warranty, the 6' / 2m Keychain Tape Measure confirms Milwaukee's commitment to best-in-class durability and relentless commitment to provide innovative solutions to the end user that will increase productivity.
